My Darling Wife,

Honey Guess what? Its awful to tell but here goes.

I was sitting around the Barracks tonight and was so lonesome that I thought I would go mad. There was a poker game going on and I thought maybe if I played it would take my mind off you and how lonely you are for awhile, and maybe keep me from ^{going} crazy, so I got in the game x

It was no use, I was only in a daze and sure didnt have my mind on the game x All I could do was think of you. I just sat there and antied until they had taken most of my money. then I woke up and quit. I feel like

a Criminal. Honey I guess I will write a small check to get a little more money because I don't know if I have enough to last me or not. I have enough but something might come up to cause me to need more.

The next time I want to play poker I will just sit down and write you a letter first. then I can either keep my mind on the game or not play at all.

Tonight is Saturday night and I have been listening to some Hillbilly music on the radio. The same program that we heard two weeks ago at Clyde. It brings pleasant memories back to me but they hurt like the dickens. Darling I love you so very, very much. You can never know just how much.

My Darling, I'm not too sure of
the address I sent you in last night's
letter but if I change it on the
Envelope you just ~~center~~ ^{copy} it
off the front of it and I think I'll
get it out.

If you can, write air mail or V-mail
because I will get it ~~closer~~ ^{sooner} X O O X O O X.
I just can't help loving you. Darling I
would give almost anything for one of
your kisses right now. Save them
for me honey I want them all and
all at once one of these days. Won't
that be wonderful.

Darling, in about 4 to 6 weeks
you should get a bag of clothes
that I shipped C.O.D. to you from
I & Meade. If they aren't there by
six weeks you write to the Commanding
officer at the address I gave you
when I was there and ask about them
over

In the Bag you will find one pair of pink trousers one Dark Green and some other pink.

I want you to take the pinks and make you some slacks ^{and} the Greens if you want to. they are getting old and if you pack them they will just rot away. I think they would look mighty good on you.

Honey the Hit parade is ~~on~~ ^{on} and they are playing our favorite songs. I know you are listening too and it makes me feel closer to you. Oh Darling I miss you so much.

I will close for tonight Darling thinking of you and June 19, 1943 How wonderful when we can continue what we started at 7.15 pm. that day.

I Love you for Ever & Ever
your Darling
Bob

P.S.

they are playing "I'll be Loving you always" or "Together" at this minute
I'm thinking of you Love Bob
